Then remember to use that sentence in every piece of sales and promotional material, and every time anyone asks you about your ebook.

An efficient approach for determining a price is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price. on every page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum worth is.
