An efficient approach for determining a value is to send out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new ebook, but don't include a value on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Be certain that your sales copy is exactly the identical on each web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

Finally, in case you've written a guide that solves a drawback or presents a brand new technique, your ebook will bring in each site visitors and profits. So make sure to write that promoting-deal with sentence that sums up what downside your book solves and what the advantages of your 1084 e-book might be to the shoppers who buy it.
