An efficient method for determining a value is to send out a survey to your current customers. If these customers have already bought an book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the brand new e-book, however don't embody a worth on that page. Make sure that your gross sales copy is precisely the identical on every web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, if you happen to've written a e-book that solves a drawback or presents a new technique, your book will herald both visitors and profits.
