Do that by making a gross sales web page for the brand new guide, however do not embrace a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with different prices on every page. Make sure that your sales copy is strictly the same on every web page, and

includes your selling-deal with sentence. Then determine for each web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum value is.

Ultimately, should you've written a e book that solves a problem or presents a brand new method, your guide will usher in each traffic and profits.
