An effective approach for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new e-book, however don't include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure that your sales copy is strictly the identical on each page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, in the event you've written a ebook that solves a drawback or presents a new method, your ebook will bring in both site visitors and profits.
