Marketing Strategies

The key that unlocks the sales potential of your book is to discover a single sentence that becomes your promoting handle. This sentence states what query or drawback your book answers and the advantages your book can provide. Then make sure you use that sentence in every piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from selling your books assiduously online, there are several different strategies that may help you promote extra books.

One is to provide something away without cost with your book, such as a priceless bonus item. Or bundle a number of ebooks underneath one worth, which lowers the worth for every ebook in the event that they were bought separately.

An effective technique for determining a worth is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new e book, but don't embody a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with different costs on every page. Be sure that your gross sales copy is exactly the same on every page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum value is.

In the end, when you've written a e-book that solves a downside or presents a new approach, your e book will bring in both visitors and profits. So you should definitely write that promoting-handle
