The key that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your promoting handle. Another technique is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is precisely the similar on

every web page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum worth is.
