An efficient technique for determining a value is to ship out a survey to your present customers. If these clients have already purchased an e-book from you, ask for their opinion in terms of price. Do this by making a gross sales web page for the brand new e-book, but do not include a worth on that

page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with different costs on every page. Be sure your gross sales copy is exactly the identical on every web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum price is.

Ultimately, in the event you've written a e-book that solves a problem or presents a brand new technique, your guide will usher in both visitors and profits.
