If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the new guide, but do not embrace a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with totally different prices on every page. Make sure that your sales copy is precisely the same on each web

page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.

Ultimately, in case you've written a e-book that solves a downside or presents a new method, your e book will usher in each traffic and profits.
