If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by making a gross sales page for the new e book, however don't include a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Be sure that your gross sales copy is strictly the identical on every

web page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum value is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new approach, your book will usher in both site visitors and profits. So make sure you write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 1870 e book will likely be to the shoppers who purchase it.
