price. Do this by creating a gross sales page for the new e book, but do not embody a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on every page. Be certain your gross sales copy is strictly the identical on each web page, and includes your promoting-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

In the end, should you've written a guide that solves a drawback or presents a brand new approach, your e-book will bring in each traffic and profits.
