An efficient technique for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion by way of

price. Do that by making a gross sales web page for the brand new e-book, but do not embrace a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is precisely the identical on each page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum value is.

Ultimately, in case you've written a e book that solves a problem or presents a brand new method, your e-book will bring in both visitors and profits.
