and promotional material, and each time anybody asks you about your ebook.

Do this by creating a gross sales page for the brand new e-book, however don't embody a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Make sure your sales copy is strictly the identical on every web page, and includes your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum value is.

In the end, when you've written a e-book that solves a downside or presents a new approach, your e-book will herald each site visitors and profits.
