An efficient approach for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the new e book, but do not include a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is strictly the similar on each

page, and includes your selling-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, if you've written a e-book that solves a problem or presents a brand new technique, your ebook will bring in both visitors and profits. So you'll want to write that selling-handle sentence that sums up what problem your e-book solves and what the advantages of your 2640 e book will likely be to the shoppers who purchase it.
