Do this by creating a sales page for the new ebook, however don't embody a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the similar on every web page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum price is.

In the end, in the event you've written a book that solves a drawback or presents a new method, your book will herald both visitors and profits.
