An efficient approach for figuring out a value is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do that by making a sales page for the brand new e-book, but do not embody a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with different prices on each page. Be sure your sales copy is exactly the identical on every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.

In the end, in the event you've written a ebook that solves a problem or presents a new method, your

e-book will usher in both visitors and profits. So you should definitely write that selling-deal with sentence that sums up what downside your e-book solves and what the advantages of your 552 e-book can be to the customers who buy it. And then watch your market come to you!
