Do this by making a gross sales page for the new e book, but don't embody a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Make sure that your gross sales copy is exactly the similar

on every web page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum worth is.

Finally, if you happen to've written a book that solves a problem or presents a brand new technique, your e-book will bring in each visitors and profits.
