If these prospects have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new e book, but don't embrace a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on every page. Be certain your sales copy is strictly the similar on every web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum value is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new method, your guide will bring in each site visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e-book solves and what the advantages of your 770 ebook will probably be to the purchasers who purchase it.
